

Job Opportunities

USDA Forest Service Region 6

Blue Mountain, Prairie City, and Emigrant Creek Ranger Districts

The Malheur National Forest has several upcoming temporary job opportunities for someone interested in working with a fantastic group of people in the beautiful setting of Eastern Oregon. Whether you are looking to develop a career or are simply looking for summer work, these positions will provide meaningful and rewarding work opportunities.

These positions are located in both the North Zone (John Day, Supervisors Office and Prairie City) and the South Zone (Burns). These positions will range in employment terms from three to six months. The majority of these positions will be field going and will require good physical conditions and the ability to work on varying terrain in all types of weather.

A variety of jobs will be available in a limited number on the Malheur National Forest. These positions will be in Silviculture (Timber), Recreation, Archaeology, and Wildlife. It is recommended that you apply as soon as possible to be considered for any of these positions, as hiring will begin in February and continue through early April.

The following are current open positions:
